MEMBER BENEFITS

offer, including its many hot springs, hiking trails, wildlife, and more. Or, simply relax by the pool and sip on a cocktail! There's no better way to earn CE.

Registration for the CVMA Fall Seminar opens on May 23! Watch your email for more information.

CVMA NEWS

Let's Toast to Your Good News!

Source: CVMA

Do you have a recent achievement that you're itching to share, whether a professional success like a new promotion, accreditation, or practice you bought, or a personal life development like getting married, starting a family, or buying your first home? It's your time to shine! The CVMA would like to spread your good cheer in an upcoming issue of the *California Veterinarian* magazine. Please email Taryn DeOilers at tdeoilers@cvma.net for consideration.

 (20%)
- B. 3.5 million
 (30%)
- C. 4.5 million
 (20%)
- D. 5 million
 (30%)

The answer is C - 4.5 million.

NEW QUESTION

Dr. Timothy McCarthy will be teaching the Karl Storz Endoscopy Lecture and Lab at PacVet on June 3, 2022. What can participants expect to learn during the laboratory session?

- A. Recommended techniques to perform the laparoscopic ovariectomy (OVH) and ovariohysterectomy (OHE), including abdominal access and surgical technique.
- B. Introduction to energy-based vessel sealing technology to facilitate open and laparoscopic surgery.
- C. How to procure successful

Source: U.S. Food and Drug Administration

Last week, the U.S. Food and Drug Administration issued a final guidance, entitled “[Compounding Animal Drugs from Bulk Drug Substances](#),” that will help protect animal health by recognizing the need for access to certain compounded animal drugs. The guidance describes the agency’s approach to situations where veterinarians use unapproved compounded drugs to provide appropriate care for the medical needs of the diverse species they treat. Read more [here](#).

- laparoscopic biopsies.
- D. Success techniques to remove nasal/ear foreign bodies with use of endoscopic imaging.
- E. Recommendations for handling and cleaning endoscopic instrumentation.
- F. All of the above.
