TOP STORY

UC Davis Veterinary Students Honored at Senior Banquet

Source: CVMA

Graduating veterinary school students from UC Davis were honored at their senior banquet on May 6. CVMA President Dr. Elisabeth Klapstein congratulated the students and spoke about the close relationship between the CVMA and UC Davis. Additional speakers included Dr. Karl Jandrey, Associate Dean of UC Davis

School of Veterinary Medicine; Matt Smith, Vice President of Veterinary Insurance Services Company (VISC); Dr. Karryssa Fenderson, UC Davis alumna and CVMA board member and delegate; and keynote speaker Dr. Lane Johnson.

Briana Hamamoto was the recipient of both the CVMA's 2022 Award for Practice Excellence and the CVMA Lifelong Learning Award, Sherry Shih received the VISC Award, and Catherine Conlon won the California Veterinary Medical Foundation (CVMF) Award. The CVMA commends all the students' efforts, and we wish them all the best as they pursue the next chapters of their professional careers!

CVMA NEWS

We Want to Honor Your Achievements!

Source: CVMA

Are you currently celebrating a personal or professional achievement, such as passing an exam, receiving a promotion, or getting married? Has your practice accomplished something extraordinary that's made you especially proud? We would love to share your or your practice's success in the next issue of the *California Veterinarian* magazine in our "Something to Wag About" page! To submit your good news for consideration, please email the CVMA's Publications Manager, Taryn DeOilers, at tdeoilers@cvma.net.

MEMBER BENEFITS

The CVMA In-Line Program

This member benefit program is designed to assist CVMA members with workplace safety, employment issues, and laws and regulations that affect the veterinary profession. Visit cvma-inline.net and take advantage of this unique member benefit.

Visit the [CVMA website](https://cvma.org) for additional member benefits and services.

CVMA POLL

San Francisco, the location of this year's PacVet, is home of the iconic red Golden Gate Bridge. True or false: The Golden Gate Bridge was originally meant to be navy and gold.

A. True

☐ (41%)

B. False

☐ (59%)

The answer is B - False. The Golden Gate Bridge was originally meant to be black and gold.

NEW QUESTION

If your practice has more than one location, do you need separate DEA registrations for each address?

A. Yes

B. No

Wellness Support Is Just Moments Away with LifeWorks

Source: CVMA

In honor of Mental Health Awareness Month, the CVMA is highlighting its newest member benefit, LifeWorks. Through this member assistance program, CVMA members can find support for mental, emotional, physical, and financial wellbeing. LifeWorks offers confidential services and support 24/7 on a variety of issues ranging from mental health and addiction to parenting and career development. CVMA members enjoy access to support online, via the phone, or via the mobile app at no additional cost.

CVMA members should have received an email from LifeWorks for a link to join. If you have not received this link, please email jsmith@cvma.net.

This CVMA member benefit is sponsored by

VETERINARY BUZZ

Recent FDA Drug Approvals

Source: U.S. Food and Drug Administration

The U.S. Food and Drug Administration's (FDA) Center for Veterinary Medicine has updated its Recent Animal Drug Approvals page to reflect the April approval of New Animal Drug Application 141-137. Click [here](#) for the full list of recent drug approvals by the FDA.

SBA Offers Last Call for a Key Covid-Era Small-Business Aid Program

Source: Inc.

In the past few days, tens of thousands of small-business owners have received emails from the Small Business Administration (SBA) inviting them to apply for more money through the Economic Injury Disaster Loan program, an emergency loan program for small businesses struggling financially amid the pandemic. The SBA is offering the opportunity to request more money before the program runs out, which is estimated to be in the next couple of months. Read more [here](#).

VMB to Host Webinar About the Enforcement Process

Source: Veterinary Medical Board

The Veterinary Medical Board (VMB) is hosting a free webinar on Thursday, June 9 from 11:00 AM-1:00 PM. During the webinar, the VMB enforcement staff will be providing an overview of the enforcement process, most common violations found during complaint investigations and inspections, and ways to maintain compliance. The VMB is welcoming CVMA attendance at this webinar and there will be opportunities for members of the public to ask questions. For more information and to register for this upcoming event, click [here](#).
